

Collaborative Leadership Assessment

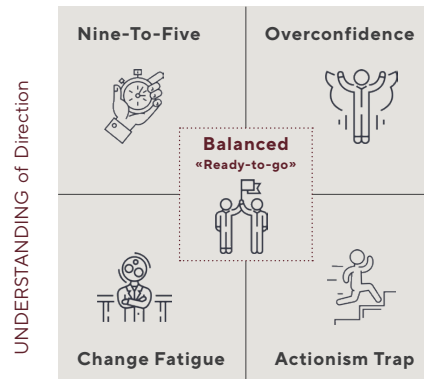

# We, not I

---

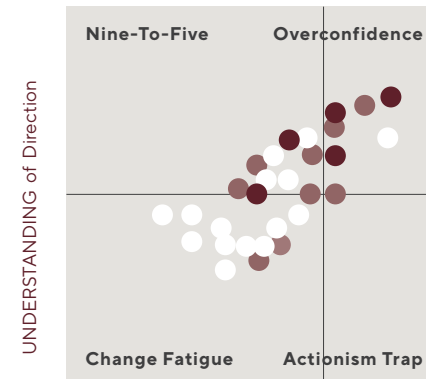

Develop the collaborative  
leadership power  
in your organization

# What can you achieve ALONE today?

The CLA visualizes  
the degree of  
**SHARED  
UNDERSTANDING**  
and **SHARED  
COMMITMENT**  
among your leaders

COMMITMENT of Energy

COMMITMENT of Energy

● Executive Management  
● Middle Management  
○ Team Management

## How to use the CLA

**ORGANIZATIONS.** At the beginning or within a transformation to set an effective engagement strategy and roadmap

**TEAMS, PROJECTS, PARTNERSHIPS.** As a base for strategy review workshops to develop your leader team within and across several units or partners

**CORPORATE LEADERSHIP ACADEMIES.** Make it part of your leadership offerings for ecosystem management

## About the CLA

### EASY TO APPLY

Standalone online leader engagement survey with 36 standardized questions (English or German) based on empirical research evidence

### ACROSS HIERARCHY LEVELS

Shows differences between three hierarchy levels

### ACTIONABLE

Report indicating on which culture level to take action: willingness, ability, or structure and processes

The CLA helps  
you to move from a  
hierarchical to a collaborative,  
agile leadership approach

## HUMAN FACTS AG

We are a Swiss-based boutique management consultancy, specialized in organization-wide change and transformation engagement for over 10 years.

That's what we do. What makes us different is how we do it: with a collaborative leadership approach. With our collaborative process methodology, tools and analytics, we work systematically across all levels: from boards, executive leadership, senior and mid-level management through to the individual contributor. All with one goal: to create a trusting, accountable and thriving partnership among all stakeholders from the beginning.
