

VIRTUAL STRATEGY WORKSHOPS

Go beyond the usual videoconferencing and explore a unique and meaningful virtual co-creation experience

HUMAN FACTS™

the value of we

We design and facilitate your corporate virtual strategy and innovation workshops - from 10 – 100 leaders

- ✓ **We help you co-create your future by involving your most important stakeholders.** We embed your event into a tailored co-creative strategy process, involving all stakeholder views and necessary experts.
- ✓ **We offer a tailored design and facilitation of your senior management strategy workshops.** You can count on our longstanding experience in designing and enabling meaningful senior management dialogue and engagement.
- ✓ **Private and confidential.** If you need and prefer, we offer you a highly-secure IT environment, with the necessary co-creative features and sensitivity to your data privacy needs. It allows for a confidential, closed-door environment, and at the same time, you to involve external expert speakers and guests from all over the world.
- ✓ **Inspiring actionable insights and experience, and a common spirit.** We ensure that your event helps to unfold a partnering spirit and inspires participants to take actions and commitments as results.
- ✓ **Professional digital event management.** We provide a professional digital event management, from registration of participants up to hosting, producing and orchestrating all digital channels and tools – depending on size and scale.

Why trust us?

At Human Facts, we offer longstanding experience and expertise in co-creative strategy, leadership and digital learning. On top of that, we partner with high-level senior experts in providing customized technical infrastructure sensitive to European standards of IT Security and Data Privacy, as well as professional multi-media production and digital event management services.

This offering will be helpful if...

This offering will be helpful for your organization if you answer one of these questions with “yes”:

- Did you communicate your strategy but your leaders are not sufficiently engaged in bringing it to life?
- Do you need to refresh and reshape your strategic direction and would it benefit from multiple perspectives and impulses, including outside views?
- Do you want to engage in an open innovation workshop with external experts?
- Are your leaders exhausted and is a common spirit missing?
- Do you fear losing key talents?

Let us get in touch!

Looking forward to hearing from you and exploring together how we can best assist you.

HUMAN FACTS™
the value of we

HUMAN FACTS AG

We are a Swiss-based boutique management consultancy, specialized in organization-wide change and transformation engagement for over 10 years. That's what we do. What makes us different is how we do it: with a collaborative leadership approach. With our collaborative process methodology, tools and analytics, we work systematically across all levels: from boards, executive leadership, senior and mid-level management through to the individual contributor. All with one goal: to create a trusting, accountable and thriving partnership among all stakeholders from the beginning.

We commit 1% of our revenues to approved non-profit partners supporting environmental solutions.

Human Facts is a certified Women Owned Business.
